

CLIFF BOAT SAFARIS
LAKE NAKURU NATIONAL PARK

SEADUCTION | 8 Swivel Seats

This vessel is tailored to the needs of individual travellers, groups and a photo safari tour. Seaduction is suited to the needs of photographers and non-photographers who want to have an exclusive experience in a Bird-watchers paradise and photographic location.

The boat safaris is also been offered on set departure times throughout the year, with no more than eight passengers accompanied by a Lake Nakuru resident Naturalist. If you are a group of friends or a family, this can also be booked on an exclusive basis for half and full day safaris on the lake.
